

## Crew 202 Code of Conduct

I commit to live by the Venturing Oath and the Venturing Code while participating in all events with Crew 202.

VENTURING OATH:           As a Venturer, I promise  
                                  To do my duty to God and help strengthen America,  
                                  To help others,  
                                  And to seek truth, fairness, and adventure in our world.

VENTURING CODE:         As a Venturer, I believe that America's strength lies in our trust in God and in the courage, strength, and traditions of our people.  
                                  I will, therefore, be faithful in my religious duties and will maintain a personal sense of honor in my own life.  
                                  I will treasure my American heritage and will do all I can to preserve and enrich it.  
                                  I will recognize the dignity and worth of all humanity and will use fair play and goodwill in my daily life.  
                                  I will acquire the Venturing attitude that seeks the truth in all things and adventure on the frontiers of our changing world.

Some EXAMPLES of how I will behave are listed below.

- I will be kind and respectful to all.
- I will be obedient and cheerful in following the direction of the Crew's youth and adult leaders.
- I will listen courteously when asked to participate in coaching, discussion, or problem solving.
- I will not use foul or abusive language.
- I will not leave areas where my Crew is gathered except with permission and with a buddy.
- I will participate cheerfully and constructively in the planned activities.
- I will be helpful in setting up and cleaning my work and camping areas, and helping others with theirs.
- I will care for Crew equipment, using and maintaining it properly.
- I will respect the property of other Venturers and will not use it without their permission.
- I will do my best in competition and be gracious in both victory and defeat.
- I will represent Crew 202 in a positive light at all times through my behavior and attitude.
- I will make group needs a priority over my own preferences.
- I will make any disagreements or issues known in a constructive way.

This applies to my behavior at Crew meetings, service projects, camping trips, and any other Crew 202 activities and outings.

If, at any time during a Crew activity, I am not behaving according to this commitment, I understand that the issue will be brought to my attention for correction. If my personal behavior and interaction with the group continues to be a problem, I understand that corrective action may be taken by my peers in the Crew or by the adult leaders of the Crew, to ensure the safety and dignity of all others in the Crew. While the Crew wishes to be welcoming and inclusive of all eligible youth who wish to participate, I understand that chronic failure to abide by this Code of Conduct could result in my removal from the Crew.

I understand and commit to all conditions above.
